ST2300 WASH GUN 3/8" F X 1/4" F

Product Description

The Suttner ST2300 guns are our best sellers. Robust and ergonomic design, coupled with impressive maximum flow rates and pressures, means that this gun is suitable for all but the heaviest of tasks. The ST2300 range of guns also allows for the possibility of a private label version, should you require your company name & number to be advertised on the side panel (min number required)
