ST-2300 Wash Gun Swivel with KW Quick Release Coupler

Product Description:

One of our BEST SELLERS, the high quality SUTTNER ST2300 SQRC washgun. A professional washgun designed to complement a range of SUTTNER products. The ST2300 is rugged and durable and will meet the demands of the pressure washing industry. Complete with a swivel inlet to take pressure off the wrist when turning the washgun. Featuring a quick release head to ensure a speedy change when different lances are required.
