ST-10 Nozzle Protector (Stainless Steel) Various Colours

Product Description:

2-component nozzle protector ST-10. The ST-10 is the ideal combination made out of hard and soft plastics. The nozzle protector is suitable for cold and hot water applications in the car wash, agriculture and food industry. The ST-10 is unimpeachable, protects your nozzles and preserves the surfaces to be cleaned at the same time.

Suitable for nozzles 1/4" M NPT
