

Product information and Instructions

Nerta Super Degreaser (Available in 5L, 25L, 200L and 1000L)

Nerta's Super Degreaser is a solvent cleaner based on hydrocarbons. Dissolves oil, grease, fuel, grime and other dirt. The product will quickly penetrate and emulsify the oil and grease. Suitable for machinery, fork lifts, trucks, garages, engines, chassis, motor parts, etc.

Super degreaser is **not** water soluble so mixing with water will destroy the product. It needs to be applied on a **dry** surface and can be used sparingly.

Apply using a pressure sprayer and wet the surface, leave to dwell for around 2-5 minutes. Foam over with one of Chiefs foaming products and allow to dwell for a further 1 minute.

Using high pressure water start cleaning from the bottom to the top or backwards into the fresh soap covering all areas.

Care should be taken if using on ceramic coating, please refer to manufacturers guidelines **BEFORE** applying the product.

This product is safe on all paints, stainless steel and chrome.

It is recommended testing all products on a small inconspicuous area before use.
