

CARNET JUMBO

CARNET JUMBO is an exceptionally soft prewash agent with special soaking power to clean all types of vehicles. Removes without problems the so called static dirt. Easy to rinse. Gives a water-repellent and shining coachwork because of its special composition.

INSTRUCTIONS FOR USE

CARNET JUMBO can be used with fogging systems, spray arches, high pressure cleaners and foam systems.

TECHNICAL SPECIFICATIONS

Product code	: ENT-910901
Color	: Brown
Fragrance	: Characteristic
Foam intensity	: 
pH 1%	: 10,6 ± 0,5
Dosage	: 1 – 5%
Biodegradability of surfactants	: > 90 %
Packaging	: 5 – 25 – 200 – 600 – 1000 L
Specific gravity	: 1,10 kg/L

ENVIRONMENTAL INFORMATION

The surfactants in this product meet the criteria for biodegradability as established in Regulation (EG) n° 648/2004 concerning detergents.

SAFE HANDLING AND STORAGE

The complete safety instructions of the product can be found on the material safety data sheet.

Only for professional users/specialists.

Keep the product in the original and closed packaging and protect from extreme temperatures.

⚡ CONDUCTIVITY

Conductivity in mS/cm at 25 °C. Temperature coefficient = 1,9% per °C. The conductivity at other temperatures can be estimated using the following formula:

$$R(T) = R(25^{\circ}C) * (1 + 0.019 * (T - 25^{\circ}C))$$

T = Temperature solution (°C)

R = Conductivity (mS/cm)

Dilutions were made with water with a conductivity of 0,7 mS/cm.
